#### **FY 2019-2020 Budget Discussion**

Town Manager, Boyd Veal, presented the Council with an analysis comparing impact on residents of a sanitation fee verses a property tax increase (copy attached).

Council further discussed various aspects of the preliminary fiscal year 2019-20 budget. After extensive discussion regarding the Town Manager's Proposed Budget and the unbudgeted supplemental requests, Council asked staff to include a COLA increase for the Town Manager, a reclassification of a Police Officer to an Accreditation and Technology Manger, and additional paving in the budget calculations.

In addition, Council directed that the staff eliminate the proposed sanitation fee and calculate the property tax increase to adequately fund the proposed budget as modified.

There being no further business, the meeting was adjourned.
